The South Australian Judo Academy is committed to the proper management of the club's health, safety and environment, which ranks equally with all other operational considerations.

It is our aim to minimise the risk of injury and disease to our employees and other persons by adopting a planned and systematic approach to the management of Workplace health, safety and environment and providing the resources for its successful implementation and continuous improvement.

The objectives of this policy are to ensure:

- All hazards and risks to health and safety are identified, assessed and where they cannot be eliminated, are effectively controlled;
- Measures to control hazards and risks to health and safety are regularly monitored and evaluated;
- Members are consulted and encouraged to contribute to the decision making process on Workplace health and safety matters effecting their health and safety at the club; and
- All coaches, officials and administrators receive appropriate information, instruction, training and supervision they need to safely carry out their responsibilities.

Our Head Coach has the responsibility for coordinating management of health and safety on behalf of the club. The Head Coach has a responsibility to:

- Coordinate the identification, development, implementation and review of health and safety related policies and procedures;
- Identification, assessment and selection of measures to control hazards and risks to health and safety;
- Monitoring and evaluating hazards and risk control measures;
- Identification, development and provision of appropriate health and safety related information, instruction and training;

- Effectively consult with members and
- Monitor and advise on legislative and technical changes relating to health and safety;
- Monitor and provide regular reports to the any club meetings on the club's workplace, health, safety and environment performance;
- Support members to follow policies and safe work procedures developed; and
- Provide information to members on health and safety.
